For the third consecutive year, Water Missions International was awarded Charity Navigator's coveted 4-star rating for its ability to efficiently manage and grow its finances. According to Charity Navigator, "only 10% of the charities rated have received at least three consecutive 4-star evaluations, indicating that Water Missions International consistently executes its mission in a fiscally responsible way, and outperforms most charities in America. This 'exceptional' designation from Charity Navigator differentiates Water Missions International from its peers and demonstrates to the public it is worthy of their trust."

### About Charity Navigator

Charity Navigator works to guide intelligent giving. We help charitable givers make intelligent giving decisions by providing information on over five thousand charities and by evaluating the financial health of each of these charities. We ensure our evaluations are widely used by making them easy to understand and available to the public free of charge. By guiding intelligent giving, we aim to advance a more efficient and responsive philanthropic marketplace, in which givers and the charities they support work in tandem to overcome our nation's most persistent challenges.
